

Speed Networking *Opportunity*

The Peterborough Business Network (PBN) invites you to attend an upcoming Speed Networking Sessions:

Thursday, March 11 at 11:30 a.m.

Monday, March 22 at 6:00 p.m.

Thursday, April 8 at 11:30 a.m.

Monday, April 26 at 6:00 p.m.

You may attend this session FREE, if you have never attended a PBN event before.

At PBN meetings, the entire time is spent in helping you make as many new contacts as possible. Using a variety of speed networking exercises and referral marketing tools, we eliminate many of the issues that often hinder people from achieving maximum results at such events. Time is also provided for open networking and follow-up. It is a fabulous way to promote your services/products, generate new business, explode your warm market/referrals, and develop new relationships.

To register or to learn more about other upcoming events, please call Karri @ 656-2469 or visit: www.pbneventregistration.info

At a PBN Speed Networking meeting you WILL:

- Speak one-on-one to at least 10 people for 5 minutes about your business
- Utilize every minute of the meeting to it's maximum networking potential
- Learn how to network EFFECTIVELY and turn new contacts into referral sources
- Have fun while you make many new contacts

At a PBN Speed Networking meeting you will NOT:

- Need to force yourself out of your comfort zone to approach people you don't know
- Engage in painful "small talk"
- Spend time socializing with people you already know. You're there to meet NEW people and you WILL
- Spend time listening to a speaker when you'd rather be networking
- Feel like an outsider watching old acquaintances speaking with each other

For more information about Peterborough Business Network visit: www.peterborough-business-network.com

NOTE:

PBN is a member of Nationwide Barter and accepts 100% barter dollars for all PBN membership and meeting fees.

PBN members are also given free advertising on the very popular "Peterborough Moms Group" website.
