

Aerospace Aviation

Peterborough

The Peterborough Advantage

The Peterborough region has a vibrant and expanding aerospace and aviation sector, with a variety of operations located at or in close proximity to Peterborough's airport and aerospace industrial park. Located with easy access to Montreal, Toronto and the United States border, the Peterborough region provides a strategic advantage for businesses interested in expanding or relocating. Supporting the aerospace industry is a high priority for the local community, with ongoing investment in infrastructure and improvements in this important sector.
